

# HOW TO FIGHT TROLLS

# **First, Ignore Them**

Trolls love attention. The more you react, the happier they are. Deprive them of their fun by turning your back.

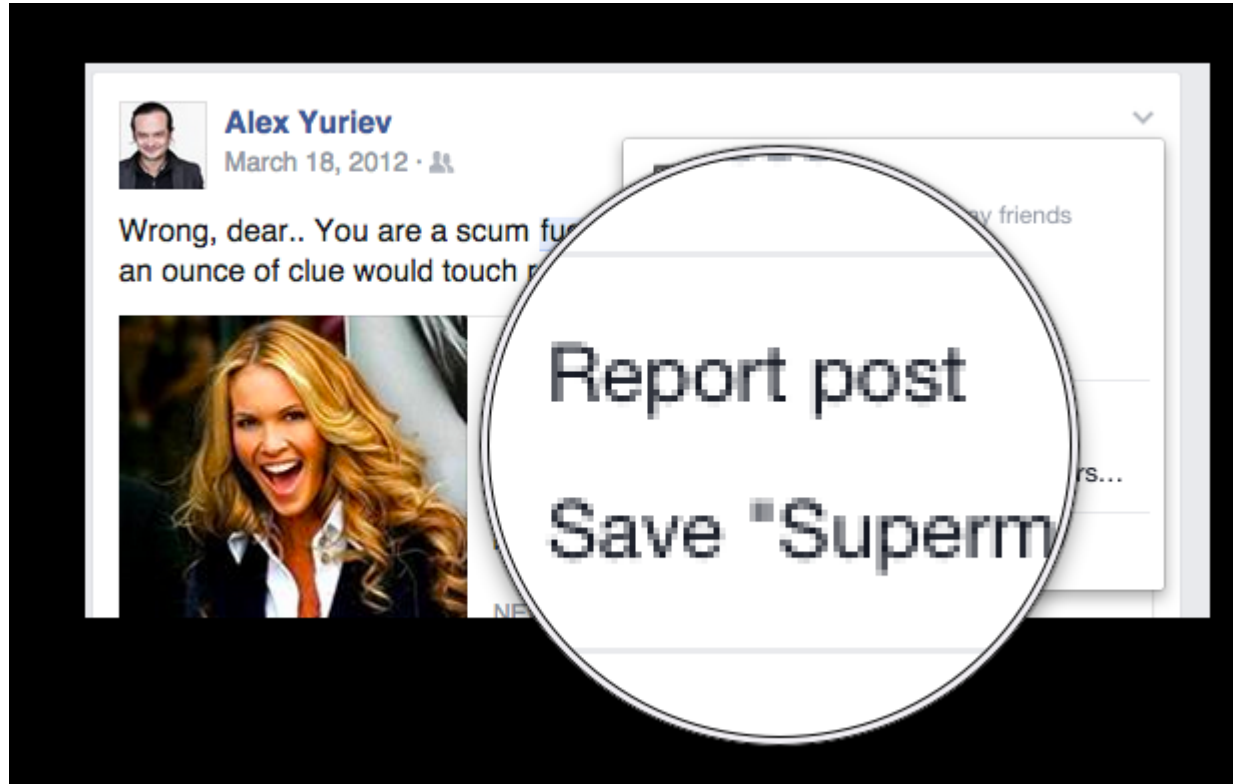

# Report Verbal Abuse

Don't give your trolls oxygen, but *do* let platforms and site owners know about abusive language.

# Cyberstalking is Very Serious

- Report threats to law enforcement.
- Remove identifying information, like phone number and address, from social profiles.
- On forums and gaming sites, remove your profile and create a new identity.
